EDUCATION

Charles Darwin University (Masters of Information Technology), Software Engineering

Jul. 2025 – Present

Leading University (Bachelor of Science), Computer Science and Engineering

Jan. 2020 – Dec. 2023

SKILLS

- **Core Skills:** Requirements Analysis & Process Mapping, Data management and Processing,
- **Technical Skills & Tools:** Microsoft Office Suite, Data entry, Jira, Confluence, SQL, Power Bi, Draw.io, LucidChart.
- **Data Science & Machine Learning Libraries:** Numpy, Pandas, Tensorflow, OpenCv, Matplotlib
- **Professional Skills:** Team collaboration, Attention to detail, Problem-solving, Adaptability, Time management.

WORK EXPERIENCE

Research Intern | CCDS | May. 2026 - Present

- Contributed to research in various fields, including AI, Medical Imaging, Segmentation..

Undergraduate Research Assistant | InteX Research Lab | Sep. 2023 - Dec. 2025

- Contributed to research in various fields, including machine, deep learning, and computer vision.

ICT Teacher | Royal Institute of Smart education, Bangladesh | Oct. 2024 - May 2025

- Helping the young learners to enhance their problem-solving skills and logical thinking.
- Managed teaching, documentation, data entry and administrative responsibilities within competing priorities and deadlines.
- Prepared lesson plans and maintained **accurate records for 400+ students, demonstrating strong documentation skills** — essential for student administration.
- Applied problem-solving skills to address day-to-day technical and administrative issues.

PROJECTS

Business Process Analysis – Coffee Shop Management System- 2026

- Analysed existing business processes and identified operational issues and improvement opportunities.
- Developed AS-IS and TO-BE process models to demonstrate proposed workflow improvements.
- Gathered and documented functional and non-functional requirements.
- Developed user stories and acceptance criteria based on stakeholder needs.
- Used BPMN/process mapping to document business workflows.
- Created and prioritised backlog items using Jira.

PUBLICATION

- N. Sharma, A. A. Toma and M. Saidur Rahman Kohinoor, "LEUKENET: An Explainable Deep Ensemble Framework for Automated Leukemia Detection Using Segmented and Nonsegmented Microscopy Images" Published on 29 July 2026 , Journal of Electrical and Computer Engineering.
<https://doi.org/10.1155/jece/2236973>Digital Object Identifier (DOI).

- N. Sharma, A. A. Toma and M. Saidur Rahman Kohinoor, "Efficient Segmentation Techniques for the Automated Detection of Acute Lymphoblastic Leukemia (ALL) in Microscopic Images," 2023 26th International Conference on Computer and Information Technology (ICCIT), Cox's Bazar, Bangladesh, 2023, pp. 1-6, <https://doi.org/10.1109/iccit60459.2023.10441472>.

STUDENT ENGAGEMENT & VOLUNTEERING EXPERIENCE

Volunteer – Kindness Festival 2026 | Jun. 2026

- Assisted with venue setup, signage, and event preparation before the festival.
- Collaborated with event staff and volunteers to complete setup efficiently and safely
- Demonstrated teamwork, communication, and organizational skills in a fast-paced environment.

Volunteer – CDU Graduation Program 2026 | May. 2026

- I helped **300+ students and guests by giving instructions and information** to enjoy their day smoothly.
- Provided instant help and supported organizers with strong communication skills.
- Directed students to take their designated seats and way to the stage.

Volunteer – CDU Orientation Program 2026 | Feb. 2026

- Provided front-line support to **300+ new students by answering enquiries and sharing campus information** — similar to assisting Student Central customers.
- Supported students from diverse backgrounds, creating a welcoming and positive university experience.
- Collaborated with CDU staff and volunteers to ensure smooth delivery of student services.

Volunteer – GovHack NT 2025 Connections and Competition (Hackathon) | Aug. 2025

- Assisted at the registration desk by welcoming participants and managing check-ins, **helping over 30+ participants and 100+ guests**.
- Provided event information and supported organizers to ensure smooth event operations during the hackathon.

CERTIFICATES & ACHIEVEMENTS

Certificate of Completion - Business Analysis Foundation Planning 2026

Certificate of Completion - Agile Requirement Foundation 2026

Certificate of Completion - Learning JIRA Software 2026

AI/ML Professional Training (Oct. 2023 - Feb. 2024):

- Hackules Inc., InteX Research Lab, Bangladesh

Master HTML and CSS by Building Real-World Projects (Oct. 2023) Udemy, Inc.

Master Git and GitHub – Beginner to Expert (Oct. 2023) Udemy, Inc.

Other Certificates:

- First Aid & CPR, Responsible Service of Alcohol (RSA), Working with Children Check (Ochre Card), National Police Check
